Around 38mm

Sympetrum frequens
Around 40mm

Sympetrum risi risi
40~45mm

Pantala flavescens
Around 45mm

Aeshnidae

Anax nigrofasciatus nigrofasciatus
Around 65mm

Sympetrum infuscatum
Around 70mm

Anaciaeschna martini
70~75mm

Male

Sympetrum infuscatum
Around 45mm

Sympetrum baccha matutinum
35~45mm

Pseudothemis zonata
40~45mm

Gomphidae

Female

Orthetrum albistylum
50~55mm

Crocothemis servilia mariannae
Around 48mm

Orthetrum japonicum
Around 43mm

Rhyothemis fuliginosa
Around 35mm

Sinictinogomphus clavatus
Around 70mm

Calopterygidae

Calopteryx atrata
Around 60mm

Lestidae

Lestes temporalis
Around 46mm

Indolestes peregrinus
Around 38mm

Lestes sponsa
Around 40mm

Coenagrionidae

Ischnura senegalensis
Around 32mm

Ischnura asiatica
Around 29mm

larva
